# DCM Shriram to invest ₹1,300 cr to expand sugar, chemical biz

PRESS TRUST OF INDIA  
New Delhi, August 12

DCM SHRIRAM WILL invest about ₹1,300 crore in expanding its sugar and chemical businesses, a top company official said on Sunday. The investment will be met through internal accruals and debt.

"We have initiated many expansion projects, mainly in sugar and chloro-vinyl chemical businesses with an estimated investment of almost ₹1,300 crore," chairman and MD Ajay Shriram said in an interview. These expansions will be completed in the next 12-18 months.

Shriram said the company would be adding cane crushing capacity by 5,000 tonne per day while a distillery would be set up with capacity of 200 kilolitre per day. That apart, 30 MW co-generation power capacity would be added. "The expansion in sugar business will cost us ₹660 crore."

In the chemicals business, the company is expanding

## Rafale contract received from Dassault, says Reliance group

CAUGHT IN A political storm over the Rafale fighter aircraft deal, Anil Ambani's Reliance group on Sunday denied receiving any contract from the defence ministry and said "unfounded and incorrect" allegations are being deliberately made to "mislead people and cloud the issue".

Answering questions ranging from lack of experience to state-owned HAL being overlooked for the deal, the group said Dassault, the French firm that is to supply 36 Rafale fighter jets, choose Reliance Defence to meet its 'offset' or export obligation in the contract and the defence ministry has no role in the selection.

Reliance Defence CEO Rajesh Dhingra said the government-to-government deal requires all 36 aircraft to be delivered in a 'fly-away' condition which means "they are to be exported from France by Dassault" and "HAL or anyone else cannot be the production agency for the simple reason that no aircraft are to be produced in India." — PTI

capacity by 560 tonne per day at its Bharuch and Kota plants with project cost of ₹350 crore, Shriram said.

Shriram said another ₹240 crore would be spent on 66

MW captive power plant at its Kota plant in Rajasthan.

In plastics business, ₹32 crore has been earmarked for adding capacity of 40 tonne per day. "The expansion will

help in future growth of the company," he said.

The company sold sugar at loss because of record output in the country that led to a crash in prices, he said.
